MISSIONARY DISCIPLESHIP

Sharing: Each person is called to spread the Gospel, to share the Good News of the life-transforming relationship with Christ through the power and message of his life, death and resurrection. The mission field we work in will be very different for each of us in our own context. Isn't it great when friends from different groups or situations get on, and you can share this friendship with others? This is the core of what being a missionary is, sharing your friendship with Christ with your other friendships and relationships in your life.
