MISSIONARY DISCIPLESHIP

Feast Day: A practice in many European countries is to celebrate your 'name day' which is the feast day of the saint you are named after. It is a common practice in this country when it is our birthday to bring cake or treats into work with us to share with our friends and colleagues. We could celebrate the two traditions and on the feast of our baptismal or confirmation patron, celebrate it by sharing treats with colleagues and explain a little about the saint. Alternatively, we could celebrate the feast days of our colleagues and friends by getting them a small gift, writing them a little card or doing an act of kindness for them.
